GUEST SPEAKERS

Andy Kirk

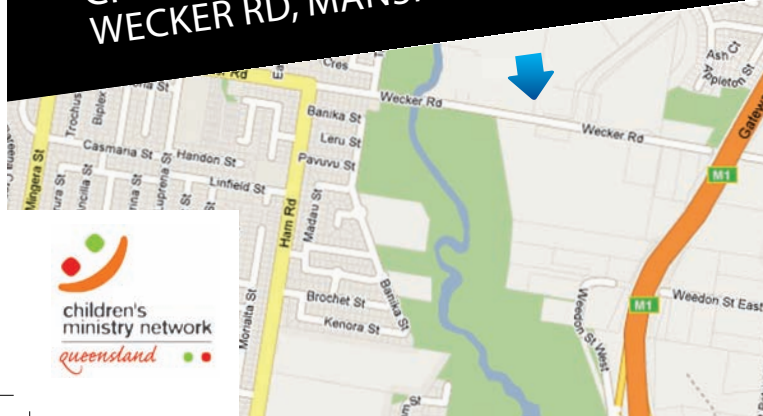

Andy Kirk is Children's Pastor of METRO Church on the Gold Coast and Queensland Kids R Us Director along with his wife Christie. They have one child, a little boy named Ryan. For the past 8 years they have been pastoring children but not just in a church setting. Andy & Christie are passionate about serving the community and pastoring families outside the four church walls which includes working in schools, vacation care, and many other community activities. He will challenge you to think outside of the usual parameters and inspire innovative thinking.

Terry Williams

Terry Williams has been involved in children's ministry for more than 30 years and has invested his life into making the world a better place for children. Based on his experience on the staff of Scripture Union Qld and SU International Terry asks the question, "Are we missing a vital key in the process of discipling children?" Come and find out.
